Benefit to be Held for Armstrong Man Battling Cancer

Bill Douglas of Armstrong, Iowa was diagnosed with colon cancer in June of 2015. Recent checkups have revealed that the cancer has now spread to his liver.

Friends and family of Bill want to help pay for some of the medical expenses due to the cancer diagnosis and have organized a benefit for Bill.

The benefit will take place this Sunday, August 9th from 4:00 to 7:00

p.m. at the Armstrong Community Center.

Pulled pork sandwiches will be served along with salads and bars. A bake sale and silent auction will also take place that day.

All area residents, friends and family are invited to Bill's benefit this Sunday in Armstrong.

Matching funds provided by Thrivent Financial.

Military Families Can Receive Free School Supplies

It's hard to believe that school is right around the corner and summer is almost over.

Many of you military families are starting to get school supplies lists from your child's school, and preparing for back-to-school. Why not make it easy for yourself and stop by the Armory in Fairmont for free school supplies?

The pick-up date for school supplies is on Saturday, August 15th from 9 a.m. to 4 p.m., or by appointment. Contact the Armory at 507-235-3917.

Thanks to a partnership with Operation Homefront, Dollar Tree stores and patrons who have generously donated

school supplies to military families across the nation.

C Battery 1-125 FA military families can pick up school supplies at the above time. If this time doesn't work for you, call the Fairmont Armory at 507-235-3917 between 8 a.m. and 3 p.m. Monday through Friday to arrange pick up of school supplies for your child. Note: The Armory doors are locked at all times, so call the number above to ensure someone is available during your pick up time.

Supplies will also be available on Drill Weekend, September 12th and 13th. Keep in mind your child will need supplies before then.

The BEST High School Athletes Do This...

Guest Columnist

Dr. Scott Burtis, M.S., D.C., Burtis Chiropractic Center

The fall sports pre-season is off and running. Once again Martin County athletes are coming together and crossing town boundaries and old rivalries to bring out the best in each other and themselves. As the two-a-days and Captains' practices begin one thing that will make the biggest difference come playoff time is how well the athletes bounce back from injuries. And whether you (the athlete) or your parents are out to just have fun or perform at your highest level, there are tried and proven ways to make sure that you are ready for your best season and your best playoff run.

This article is more for those who want to be their best, but it also applies to anyone who happens to get injured while participating in athletics. The past few years have seen many teams with a very promising season end up disappointed after a key player or two receive injuries that end their season. The unfortunate thing is that very often those injuries would have responded to appropriate chiropractic care. It is quite frustrating to me as a chiropractic physician to see a player I know get injured and then choose the wrong kind of care for their injury, often unnecessary surgery, more often pain pills for a sprain/strain that ends up healing poorly and limiting their performance for the rest of their high school career. There is no better proof of the amazing impact chiropractic can have than looking at the long list of elite professional athletes that have credited chiro-

practic care with keeping them at their best. This list includes Emmett Smith, Joe Montana, Tom Brady, Adrian Peterson, Michael Jordan, Wayne Gretzky, and on.

I have seen a number of local athletes respond amazingly to chiropractic care integrated with appropriate nutritional advice. At Burtis Chiropractic we have had a number of all conference athletes as patients, not to mention state tournament participants, school and state record holders, and even quite a few of the athletes that continue their careers into college. Your body can heal at its best and fastest when the nervous system is clear and functioning without interference. This becomes important especially as you respond to injuries and a hard season. That is what chiropractic does for the athlete's body.

One of the go to products every athlete should have available on the field is Biofreeze. Biofreeze is the elite sports crème that has set the standard for sport crèmes. It has the most research behind it and is very effective at both relieving discomfort of mild sprains/strains and also stabilizes soft tissue until you can get to your chiropractor. Every player, coach, and trainer should have some readily available. The faster inflammation can be addressed the better injuries heal.

Another important health tip is to make sure high school athletes get proper nutrition. This does not mean a sports

drink and an energy bar. Proper balanced meals of high quality protein, fresh fruits and vegetables, and an appropriate amount of carbs are vital to the top performance of your athlete. Individualized plans are the best based on the kind of sport your athlete is involved in and the genetics they have been blessed with. For elite info talk to a trained sports nutritionist who knows more than just creatine and BCAA's.

For now let's go back to the topic of Biofreeze. Many people choose to treat joint inflammation and pain with anti-inflammatories. Do these actually help the injury? NO!! They only block pain which can result in people using damaged joints and making things even worse. Biofreeze reduces pain by reducing swelling and inflammation, so it actually helps the healing process. This applies whether your injury is sports practice induced, caused by an injury, or the result of gardening. Along with chiropractic and appropriately prescribed nutraceuticals, these are the only the things that will result in your body healing better! So whether you are nursing a sprain, arthritis, or plain old wear and tear, Biofreeze may be the best way to bring you relief so you can stay active while you rehabilitate.

Here's to a healthy sports season, void of injuries, ending in victory, and most importantly, full of fun!

Threshing Bee time in Butterfield

The Butterfield Threshermen will hold its 49th annual Steam and Gas Engine Show on Saturday and Sunday, August 15th and 16th at Voss Park on the west edge of Butterfield.

In the past this two-day event featuring antique tractors, engines, cars and machinery as well as pioneer town and crafts has drawn upwards of 25,000 people.

Admission is \$10 for adults (good for both days) with children under 13 free. Parking is free, and the shaded Voss Park campground along Butterfield Lake is available for camping.

Several steam engines and antique tractors will thresh about ten acres of wheat and oats during the show. Over 250 antique tractors from Rumleys to Hart Parris will be on display and parade each afternoon at 2:15 p.m. along with classic cars and trucks. This year's special attraction at the antique car exhibit is pre-1968 Ford vehicles. The tractor featured on this year's button is a Oli-

ver 70 and will be on display during the 2015 show. The show's many other attractions include wood cutting by a saw mill, lathe mill, shingle mill and much more. The Voss Park grove will be loaded with antique gas engines big and small, not to mention scale models. A steam

building houses a permanent display of stationary steam engines. There will be a stock antique tractor pull held on Friday evening at 5:30.

The pioneer town replicates early Butterfield with a school, general store, church, homestead, grist mill, print shop, saddle shop, livery and more. Each has working displays showing how early Butterfield thrived. Pio-

neer crafts like spinning, weaving, doll making and broom making are on-going, and the many antique collections will delight all.

A new feature at the show this year is the Swap Meet on Saturday, August 15th. People with cars, tractors or parts are encouraged to participate. The gates will open at 6:30 a.m. for anyone interested in taking part in this new event either as a seller or buyer. Interested parties may contact Tom Anderson at 507-381-2834 for more information.

Continuous entertainment on stage from Friday night through Sunday will feature outstanding bluegrass bands. The audience can watch in shaded comfort with a variety of foods available on the grounds. Sunday morning the 9:00 a.m. open air church service will feature some of the bluegrass groups.

Tequila Majitos

Cool off with a refreshing summer drink!

If you grow your own herbs you know that some of them come up every year and can be invasive. So it is with mint and, except to use as a garnish, I had no recipe that called for a significant amount of it. Then my friend Sharon Hansen shared her recipe for Tequila Majitos with me and that solved the problem!

This is a refreshing summer drink and is perfect for a Mexican-themed dinner.

Tequila Majitos:

1 cup water
3/4 cup sugar
1 cup fresh mint leaves

Heat water and sugar bring to boil until sugar dissolves, remove from heat add mint, steep for 2 hours, strain and cool then add:

1 cup fresh lime juice
1/2 cup tequila
2 cups lemon lime pop like Sierra Mist
Stir and serve over ice

I took a can of frozen limeade, made it as directed and froze it into ice cubes. By using them, the drink didn't get watered down.

I made a double batch and used 1/2 cup tequila and 1/2 cup triple sec. I filled the glasses with ice, then filled the glasses half full with the drink mix and then added the pop. My guests enjoyed them. Stay cool and have a great week!

Ask A Trooper: Running Lights Concern

by Sgt. Troy Christianson, MN State Patrol

Question: My car has running lights and I always assumed that meant my rear lights were on as well, but my husband let me know one day as he was following behind me in the fog that my tail lights were not on. Since then, I have noticed that many other drivers must assume the same thing. You might want to let them know they need to actually turn on their lights during the day when it is foggy or raining. Thanks

Answer: We have been fighting that battle for many years now and I hear about it all the time from people. I have always taught motorists to drive with their headlights on at all times, even during the day, so they can avoid the whole issue of when to have headlights on. Even if you think you have head-

lights on all the time, you might not. Turn them on manually; then you will know for sure.

Daytime running lights cannot be used in lieu of actual headlights during the times that actual headlights are required to be on. During those required times of headlights, all the other lights also are required (e.g., tail lights, marker lamps, etc.). Those other lights are not always on when the so-called "automatic" lights are on either.

If you have any questions concerning traffic related laws or issues in Minnesota send your questions to Sgt. Troy Christianson - Minnesota State Patrol at 2900 48th Street NW, Rochester MN 55901-5848. (Or reach him at, Troy.Christianson@state.mn.us) Twitter: MSPPIO_SOUTH

The "A" Team – Atley, Avery and Ali are the "A" team. All dressed in black, these three sisters are ready to tackle any problem and enter any home either together, in pairs or even solo. Dust bunnies won't be safe with these girls on the job.

HENRY has his own fan club. He has several people that walk in the room and ask "Where is Henry?" This friendly black and white neutered male is a favorite because of his great personality. He loves to cuddle and play.

A FEW OF OUR DOGS AVAILABLE FOR ADOPTION:

TAZ is a brown Chihuahua mix with a few quirks. This cute little guy stands on his hind legs and begs to be picked up, but then backs away. He has trust issues that require a commitment to get past his barriers. With the workers and volunteers that he trusts, he is loving and personable. With new people, Taz is stand-offish. Do you have the time and patience to make him love you?

CAPTAIN is a yellow lab mix with a cute little white blaze on his forehead. This neutered male is just under a year old. In his previous home he lived with kids and was partially housetrained. Captain was surrendered when his owner moved.

Nature by the yard

By Al Batt

I filled the bird feeders. I put out a few peanuts in the shell for the blue jays. I saw or heard no jays as I did so, but they were feeding upon the peanuts before I made it back to the house. Blue jays are definitely not featherbrained. I suspected the blue jays considered me a simple creature that cached food just as they did. They were happy to steal my poorly hidden treasures.

Young blue jays begged to be fed. Goldfinches and house finches spread about the feeding stations. I wondered if all male finches were named Atticus. Young Baltimore orioles bellied up to the grape jelly feeder. It was a real jam session.

I saw a horse fly. It was

no big deal. I've seen a goldfish bowl. Canada geese were flying, having completed the molt that left them earthbound.

I found a lightning bug sitting out the day on a leaf. There are 15 species of fireflies found in Minnesota. They believe in the adage, "When ya gotta glow, ya gotta glow." I see their sparkling work beginning in late June or early July. Whenever I see them, I go silent with wonder.

Q-and-A

"When do wild turkeys begin to fly?" They fly as early as 10 days of age and are capable fliers by the time they are 18 days old.

"Why do chipmunks chip?" There is a chipmunk that vocalizes in my yard from its perch on the tire of a wheelbarrow. No matter how long it sings, it's not a tireless singer. Eastern chipmunks communicate via a wide variety of chips, chucks and trills. Warning calls are used by females to alert young. Territorial calls lead to aggressive behavior

toward other chipmunks. Chases establish hierarchy among males competing for females. Chipping and chucking are oft-repeated calls. Trills are shorter in duration and are given during pursuit by a predator or a perceived predator, with the likely primary function being to warn family members.

Pitch and frequency identify predator types. Some people believe that a chip is made in response to danger on the ground while a chuck means it's in the air. The chipmunks in our yard (Chip, Dale, Alvin, Simon and Theodore) find haven in our downspouts, but continue to make terrified trills from there. Chipmunks become more vigilant, run more direct and shorter routes, and delay exiting burrows after hearing an alarm call.

Sunday morning

A good friend named Penny Jacobsen of Albert Lea wrote this,

"You have heard about churches with bats in their bell towers. This is a story

about going to church with a sleepy bat and a juvenile brown-headed

YELLOW MOCCASIN FLOWERS by Kent Gernander of Rushford.

friendly bird. Jake and I were at Myre-Big Island State Park for the outdoor service, but the hungry mosquitoes were so plentiful in the chapel area the group moved to the park pavilion. Here one side is completely open so we had a breeze and a long view of grass and trees. The pastor-of-the-day led us in song and gave a brief sermon as a couple dozen people sat at picnic tables.

A little brown bat clung to the top part of the fireplace chimney and apparently slept through the whole service. A bird—

cowbird—was not a bit sleepy. It sat on the floor of the open side of the pavilion, looked at the situation and decided to join the congregation. For 20 minutes it wandered among us—sometimes on the floor, but often on the picnic tables. Occasionally it would find an edible tidbit, but mostly it moved about in the group, staying just out of hand's reach. Twice, it brushed the top of a woman's hair.

As the pastor said his final prayer, the cowbird was perched on the lectern, looking right at the

speaker. We all enjoyed having the little cowbird as part of our group, and I'm quite sure we all appreciated the fact that the bat did not wake up and try to join us."

Nature on the radio

I do a show on KMSU, 89.7 or 91.3 FM, every Tuesday at 10:05 a.m. I'm on KTOE, AM 1420, at 1:00 p.m. on Monday August 17, Monday September 21, Thursday October 15 and Wednesday, November 18.

The Pelican Breeze

Please join me on a natural history boat tour of Albert Lea Lake on August 30 at 1:30. Call 373-2316 to book a seat.

Heritage Acres to host Threshing Day on Sunday

The Heritage Acres Interpretive Center farm-site will be a "beehive of activity" when it is host to the annual Threshing Day on August 9th.

Prairieland Antique Tractor Association will be having an antique tractor and implement

beer floats, ice cream cones, pop and lemonade. Threshing demonstrations and gas engine displays will start at 1:00 p.m. with demonstrations throughout the afternoon. All of the Heritage Acres buildings will be open for tours and many are handicap

There will be plenty of activities for kids to take in on Sunday with the "Cannonball" giving kid-die train rides. There will also be a treasure hunt, potato digging, and more.

The Heritage Acres "People-Mover" wagon will be giving rides around the Heritage Acres farmsite for all to take part in.

There will be a display set up to show pictures of the new building set to be put up this fall, along with information on how people can help donate to the cost of the building.

There is no gate fee for this day filled with activities for all ages, so come out to Heritage Acres this Sunday and enjoy the fun!

display on the grounds from 9:00 a.m. to 4:00 p.m.

There will be a food stand in the Prairieville building serving Sandwiches, bar-b-ques, hot dogs, brats, chips, root

accessible.

As part of the big day, Market Square will once again be present on the hill between the schoolhouse and the farm home, with vendors, kids games and more.

Truman Nearing Completion of Storm Water Project

The city of Truman is eagerly anticipating the completion of the current phase of its storm water project that has had many parts of town seeing major street construction this spring and summer.

According to city clerk Monte Rohman, all of the large storm water tile has been installed and all underground work is complete in the 11 blocks of streets of Truman. Street grading, curb and gutter, sidewalks, blacktopping and sodding still need to be completed before the October 15th project deadline.

Truman received a big boost financially this past week when State Representative Bob Gunther presented a check to the City of Truman for 1.425

million dollars from the State of Minnesota to pay for half the cost of the Phase III Storm Water Project in Truman to help eliminate flooding within the city. Representative Gunther and State Senator Julie Rosen were instrumental in helping Truman secure the funding to do

the project.

Pictured below is Rep. Gunther (*front left*) presenting the check to Truman Mayor Lynn Brownlee (*front right*). In the back row (*left to right*) are city councilman Brandon Mosloski, City Clerk Monte Rohman, and city councilor Kirsten Bressler.

Creating personalized children's books at Market Square, Sunday, August 9!

Karis and I had the enjoyment of having our nephew Chase out to the farm last weekend. Whenever he comes out to visit us, most of my tractors get their "exercise" when he asks to be able to ride and drive the tractors. Part of the problem that I have with no longer farming is that my tractors do not get the use that they would if I was actively farming and some issues usually arise from the lack of use (ie: dead batteries,

Model T that his family refers to as his "Flitter". Karis rode up front while Chase and I had a "birds-eye" view from a hay bale in the truck bed in back. We got the grand tour of the farm and Ted was a great tour guide! Thanks Ted for the neat ride and for showing us the sights and nature found on the Kittleson farm!

Sometimes it needs a little dusting...

Farmers around the area have been scouting

oil leaks develop, air conditioners fail to cool, etc.). So, whenever any of our nieces and nephews come to visit, that is the most use they get for long periods of time. So, when Chase asked to go for a ride on my grandfather's tractor (a 1971 John Deere 3020) last Saturday evening, I figured it would be a good time to go for a tractor ride over to visit our neighbors and relatives, Ted and Opal Kittleson. Ted was a first cousin to my grandfather and we have known the family for many years. When we arrived at the Kittleson homestead, Ted was sitting on his little Allis Chalmers tractor and belly mower, enjoying the cool shade. When he saw us, the first thing he said was that we all needed to go on a ride in his old Ford

their bean fields in the past couple weeks and have found a healthy infestation of soybean aphids on the plants. Those aphids tend to feed on the plants and remove much of the nutrients needed for the soybeans to produce their bounty. Because of the infestation, many farmers have taken to the fields with sprayers to eradicate the pests. One of the ways to spray the fields is to hire "crop dusters", which are the small airplanes that are fitted with tanks and spray equipment to spray the fields from the air. Last Saturday we had a "birds-eye" view of how a crop duster works when our neighbor had his bean field sprayed. It is amazing how much skill is required to spray these fields! In our neighbor's bean field, one

end was lined by tall trees, while the other end had tall electrical transmission lines and poles, so the pilot had his work cut out for him to spray this field. He would swoop down over the trees and spray the field "just above the bean tops" and then quickly

pull up before he reached the high electrical lines on the other end. That is one job that is best left to the professionals!

It's almost Fair time!

Now that it is August, we know that the Martin County Fair is just around the corner! This year will be the 150th Annual Martin County Fair. There will be many of the things you come to expect from the fair each year, but because it is the 150th this year, there are many new additions to the fairgrounds and also to the activities that take place at the fair. Over the next couple weeks, the Photo Press will be bringing you stories of what is happening at the fair this year. In addition, Maisie Bentz, our reporter intern this summer, will feature a story on one of the new attractions at the fair this year and we will bring you photos of all the action during and after the fair.

Never a dull moment around here!

Before I go this week, there are a few activities going on this Sunday, August 9th. Heritage Acres in Fairmont will host their annual Threshing Day

Sunday at the Heritage Acres farmsite on the west edge of Fairmont. There will be an antique tractor display hosted by Prairie Land Antique Tractor Association from 9 a.m. to 4 p.m., a food stand featuring sandwiches, barbeques, hot dogs and

brats, threshing begins at 1:00 p.m. and there will be activities for kids throughout the afternoon. Market Square will also be back with their vendors, demonstrations and entertainment. From 1 to 4pm Sunday, friends and family will be hosting a benefit for Joe Marushin and Jim Small at the Truman Community Building with a free-will donation lunch, silent auction, bake sale and live music to help raise funds to help pay medical expenses both men have in their fight against cancer. In Armstrong, Iowa from 4 to 7 p.m. there will be a benefit for Bill Douglas, who was diagnosed with colon cancer in June and it has now spread to his liver. The benefit will be held at the Armstrong Community Center on Sunday and features pulled pork sandwiches, silent auction and a bake sale.

Have a great week!

Drive safely - visit a shut-in or family member - Eat, Play, Shop Local - celebrate Agriculture!

Photo Press Launches New Social Media Area Promotion

As many of our readers know, the Photo Press has been spreading Only Good News for the past fifty-two plus years.

We now feel it is about time we branch out to photos as a way to reach out to each other and to promote our area, so we started an Instagram account! Join us as we promote, like, love and post only good photos - of Fairmont and the surrounding areas!

Our Instagram goal is to show local residents as well as visitors to this area what all we have to offer in the way of Fairmont area's beauty, entertainment, nature, arts, history, activities and local hangouts through photos.

Feel free to promote your favorite spot to walk, hike or bike. Brag about that big fish - the one that didn't get away. Show us your boating and water-skiing skills. Snap a pic of you and your friends eating, playing or shopping locally.

With the 150th Martin County Fair just weeks away, what a great way to show your favorite parts of the fair with friends, family and others!

It's all about Fairmont and the surrounding area and all the great stuff there is to do!

How do I do this, you ask? Well, it's easy: Post to Instagram and tag us: #visitfairmontarea

And if one of our photos to give us a ♥ catches your eye, feel free

SAFE ROUTES TO SCHOOL

The Walking School Bus Runs on Kid Power...and Sneakers!

The Walking School Bus is one of those simple ideas that makes you wonder why it hasn't been in place sooner. With the choice

of having a child walk alone or chauffeuring them a short distance into the traffic congestion at school, the Walking School Bus is a dream come true.

The Fairmont Safe Routes to School (SRTS) youth meet Tuesday mornings at five different drop stations: Bird Park, Aquatic Park, Holden Park, Grace Lutheran Church and Salvation Army lot. Children may be dropped off at these points or anywhere along the routes to either the parochial schools or Fairmont Elementary school. Along the way, kids can be active with friends and find safety in numbers. Each "bus" has one or two adult "drivers" or chaperones. Parents, grandparents or other community volunteers walk with the students to their designated school. If we get additional chaperones we can add additional days. That is your call.

This is our fifth year in the program and our numbers are steadily growing. SRTS gives the children about 30 minutes of activity and makes them more ready to get on task.

above: Early Riser Kiwanis Members Richard Adams and Phil Hansen and their group get ready to roll/walk to school.

right: Volunteer Walker Dennis Farrow and Early Riser Kiwanis Club member Mary Schmitt with their "busload" of kids

Early Risers Kiwanis meets every Wednesday at 6:30 a.m. at The Ranch Restaurant.
Uptown Kiwanis meets every other Tuesday at noon at Tami's on the Ave.

For more information or to become a member, contact: Uptown Club President Louise Hendricks, 235-3090; Early Risers Club President Mike Katzenmeyer, 235-9534.

Kiwanis is a global organization of volunteers, dedicated to improving the world, one child and one community at a time.

76 Is Just a Number

Maisie Bentz, Photo Press Reporter - Intern

Track and field is a typical sport for students in high school to participate in. But for most 76 year olds, it's not particularly a first choice when discovering a favorite pastime. Sherwood Sagedahl, however, is one 76-year-old who found that running is just his cup of tea.

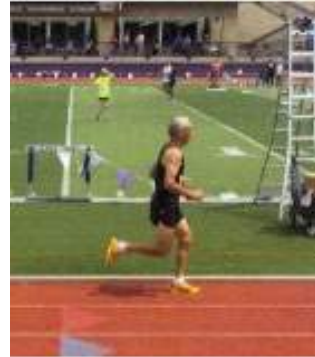

Sagedahl worked as a counselor at Fairmont High School before retiring in 1997. When he was in high school, track was never a priority of his. "You're in a small town and in those days it was

games were held at Pittsburgh that year.

Over 10,000 senior athletes from all states and even a few from different countries come to compete. Each state has senior games each year and to qualify for the National Games, athletes must place in the top four at their state senior games. There are over 20 different sports in the NSGA including individual sports, team sports and demonstration sports such as Judo. Sagedahl has competed in track and field, keeping busy running sprints and long distance races, and competing in other events such as the javelin and discus throw. All individual sports have separate competitions for men and women in five-year age divisions starting at 50 years and ending at 100+, and team sports ending at 75+. Sagedahl has recently been running in the 75-79 age division. The Games occur every odd year and this year, they proved to be very successful for Sagedahl.

The Games were held in Minneapolis, St. Paul

and Bloomington this year from July 3rd to the 16th. Sagedahl's competitions took place July 8th-10th at the University of St. Thom-

as in St. Paul. He walked away from the competition with one gold medal and three silver medals. He took first in the 800 meter run with a time of 2:54.15 for men ages 75-79. He placed second in the 200 and 400 meter dashes and in the 1500 meter run.

"2014 was a good year helping me come into this year," Sagedahl says. In 2014, Sagedahl placed successfully not only in the United States but in world rankings as well. Competing in the USA Track and Field Masters Outdoor Championships in North Carolina, Sagedahl ran the men's 75-79 800M run and ranked #1 in the world with a time of 2:49.29. He ranked #1 in the world in the mile run with a time of 6:33.68 and also ranked

#1 in the Pentathlon. The Pentathlon includes the long jump, javelin, 200M dash, discus and 1500M run. He ranked #1 in the United States for the 400M dash and second in the world running it at 1:09.80. He competed in the 100M, 200M, and 1500M runs placing in the top 10 in the United States and the top 20 in the world for each event. He competed in the long jump, discus and javelin throw with impressive

rankings as well. "I had a great year in 2014," he said. That much is evident.

Sagedahl also holds world records. In 2012 when he was competing in the men's 70-74 age group, 73-year-old Sagedahl set the record for Men Outdoor Pentathlon with a score of 3806. Sagedahl set the Pentathlon record again for the men's 75-79 age group with a score of 4060.

Sagedahl has taken pleasure in his years of successful competing. "It has been a fun time," he says. "You get to meet people you normally wouldn't meet." He plans to keep competing as long as he continues to enjoy himself and is able to do it. "I've been fortunate at this age to be injury free most of the time." Hopefully this 76-year-old can continue with his hobby for many more years.

football in the fall, basketball in the winter, and baseball in the spring," Sagedahl says. Track was only something he did if he had some extra time. He started to get into running at age 60 through the encouragement of his kids, and ran with local programs and competitions. In 2005, he started competing with the National Senior Games Association (NSGA), whose

Mayo Clinic Health System Q&A

It's an exciting time in Martin County as we gear up for the 2015 Martin County Fair. We're happy to have a presence at Minnesota's Other Big Fair, and we look forward to seeing you there. On top of that, we're counting down the days to the start of construction on the Emergency Department expansion. Lots of good things have been happening at the medical center and in the community, so thank you for the ongoing support. Now, let's address this month's questions.

Q: Are there any staff updates?
A: John Alm, D.O., has joined Mayo Clinic Health System to provide

physical medicine and rehabilitation services. Dr. Alm will be in Fairmont twice a week, Tuesdays and Thursdays, starting Aug. 20th. He will focus on non-operative orthopedics, bone care, sports injuries, spinal damage, stroke rehabilitation, chronic pain, injections and therapy.
Dr. Alm attended medical school at A.T. Still University - Kirksville College Osteopathic Medicine in Kirksville, Missouri. Additionally, he holds a Master's in Health Care Administration. Dr. Alm has particular interests in sports medicine, musculoskeletal injuries, and concussion and brain injury.
Jessica Julig-Weedman,

nurse practitioner, and Heidi Stevermer, nurse practitioner, are the newest members of the local family medicine department. Jessica will start in September and Heidi in October. We look forward to Jessica and Heidi joining our team. We'll share more information on these expert providers in the coming months.
Q: When will construction start on the Emergency Department expansion?
A: The first steps of construction will begin in the next few days, which has everyone at the medical center quite excited. We expect the new Emergency Department (ED) will open in late summer

2016. This investment in local emergency services will benefit the communities we serve, our staff and, most importantly, our patients.
We're hosting a ceremonial groundbreaking to celebrate the start of the ED expansion project on Thursday, Aug. 13th at 2 p.m. There will be a short program outside of the current ED, located at 800 Medical Center Drive in Fairmont, followed by a reception in the medical center's Harvest Café. The event is open to all who would like to attend. We hope to see you there.
Q: How will Mayo Clinic Health System be involved in the Martin County Fair?

A: We will be handing out future doctor hats, appointment line magnets and Mayo Clinic Health System plastic bags. Look for us in the arena.
Here's a schedule of our special displays:

Top 20 Training Returns to Fairmont

Guest Columnist

Michael Riley, Top 20 Committee Member

Top 20 Training is coming back to the Fairmont/Martin County area August 27 & 28. We will be holding 5 different sessions for the Community including:
• **Thursday, Aug. 27th, 8 - 11:30 am:** Fairmont High School Performing Arts Center we will have for a session for **faculty and staff of all the area schools**. The faculty and staff of all public and private schools in Martin County and northern Iowa are invited.
• **Thursday, August 27th, 1 - 4:30 pm:** KC Hall in Fairmont we will hold a **session for businesses and their employees**. There is a \$50 fee per attendee to attend this session as in the past. This session has been specifically designed and created for businesses and their employees. Refreshments are included.
• **Thursday, August 27th, 6 - 8:00 am:** Fairmont High School Performing Arts Center there will be a **special session for parents, grandparents, caregivers, mentors & family organization volunteers**. There will be a light meal served for attendees at 5 - 6 pm and FREE child care will be provided for children 5

and older during the session.
• **Friday, August 28th, 8 - 11:30 am.** There will be a new **community leaders session** (by invitation) for leaders of groups like the City Council, School Board, County Board, FEDA, Ignite, 1590, Chamber Board, Hospital Board, service club boards, Church boards, etc. We want to strongly encourage area community leaders to participate in this special session on Friday August 28 from 8:00 - 11:30 AM at the KC Hall in Fairmont. It is specifically designed for leaders of community organizations to learn to work together with proven tools to become positively effective, progressive, productive, respected, sage leaders in our community.
• **Friday, August 28th, 1 - 4:30:** We will again have a **seniors/retires session** at KC Hall in Fairmont. Refreshments will be served.

We have expanded our community. The community we refer to now includes all of Martin County including neighboring towns and our neighbors in northern Iowa as well.
We ask you to support this initiative by attending at least one or more of the

sessions. You will benefit personally as well as your family and co-workers. And your participation is very important for our community, especially for our children.
Here's a review and some additional info about Top 20 Training:
• Top 20 Training has trained over 500,000 teachers, students, parents, coaches, and businesses throughout the United States. Top 20's mission is to empower both youth and adults to make a positive difference in the quality of their lives, relationships and experiences.
• Top 20 Focuses on the power of making positive choices - we all have the choice to choose positive and hopeful thinking that is effective and serves us well (in Top 20 terminology this is called "Above the Line Thinking"), or we can choose negative and pessimistic thinking that is ineffective that doesn't serve us well called "Below the Line Thinking".
• One of the key principles of Top 20 is to Help Others Succeed! It's all about creating an effective and healthy community culture, which is a key theme for the upcoming sessions.

• We already have a great start and strong community support on this initiative. Top 20 trainers have trained over 2,500 people in the Fairmont area including students, faculty, staff, parents, coaches, businesses (both execs and employees), members of community organizations, churches, service clubs, seniors and retirees. Top 20 Training Co-founder Paul Bernabei has stated that Fairmont is the first Top 20 Community in the nation because the broad support & commitment in the Fairmont area.
The Top 20 sessions and specifically the Community Leadership session which is new fits well with our focus, which is to "Help Others to Succeed" in our community, especially our children. As the great abolitionist Frederic Douglas said "It's easier to build strong children than repair broken men." Walt Disney often said "Our greatest natural resource is the minds of our children."
The Top 20 committee strongly believes there is a great opportunity here in Fairmont for our leaders to work together for the benefit of the community. We believe that if the leaders of this great community come together and work on a common purpose, on common goals and common objectives for our community, "The Sky's the Limit".

Hairball and Cassadee Pope Kick Off the Fair's Entertainment

**Hairball, Tuesday,
August 18th, 8:30 p.m.**

Hairball is a Rock & Roll experience you won't forget.

A band puts on a concert - Hairball puts on an event! The lights, sound, video screens, smoke, fire, blood, bombs, confetti, spiders, snakes &

monsters (oh my) and the screaming hoards of rabid Hairball fans create an event - an event that hits you so hard, it'll take a few days to recover! Rock & Roll will NEVER die!!!

2015 finds Hairball celebrating its 15th year of rocking hundreds of thousands of people across the country. Every day it adds more characters, more pyrotechnics, more lights, more sound, more props, more surprises...more everything! While Happy often tells the audience "Today is the first day is the rest of your life!" Hairball performs every show as though it could be its last. Every night is a 100% full-on, no-holds-barred, exciting, chaotic, fiery party that has to be experienced to be believed!

**Cassadee Pope,
Wednesday, August
19th, 8:30 p.m.**

At just 23, Cassadee Pope's unique vocals and powerful performances stole the national spotlight during Season Three of "The Voice." The reigning star of the NBC hit

primetime show wowed from the start with offers from all four judges dur-

ing the blind auditions before accepting with Team Blake (Shelton). Excelling throughout the competition, Pope displayed diverse musical tastes and talents, covering such songs as "Stupid Boy" (Keith Urban) and "Cry" (Faith Hill). Her version of the Country hit "Over You" (Miranda Lambert) was one of her three Voice performances that catapulted to the #1 spot on the iTunes All-Genre Chart, further proving Pope's wide consumer appeal

and vocal prowess.

Less than a week after her victory on the show, THE VOICE: THE COMPLETE SEASON 3 COLLECTION owned the #1 spot on Billboard's Heatseekers Albums chart. The talented singer/songwriter has already appeared on TODAY, Live! with Kelly & Michael, The Tonight

Show With Jay Leno and performed with Train on New Year's Eve With Carson Daly.

Pope will release her first Country album later this year.

Catch Hairball and Cassadee Pope at the Martin County Fair.

Martin County Fair
150 Years
A Lifetime of Memories all in one Place

Martin County Fair's 150th Features New Open Classes

To help celebrate their 150th annual fair, the Martin County Fair is bringing some new Open Class challenges to this year's fair.

These new challenges will have cash prizes given out to the top 3 finishers in the Adult and Junior (up to age 16) Divisions. First Place will receive \$50; Second Place \$35 and Third Place will receive \$20.

The new Open Class Challenges this year include:

Birdhouse

- Use your creativity to enter a handmade or crafted birdhouse.
- Must be able to use outside.

Table Place Setting

A pretty, fun or creative table setting to be displayed at the fair is a brand new category for the 150th anniversary! Place setting will remain

exhibited throughout the fair.

- You will be allotted 36 inches of space on table.

- Your exhibit should include a table covering (may be folded) or place mat.

- Plate, glass, silverware and napkin for one setting.

- Centerpiece

Floral Photography

- Only one entry per person per challenge

- Exhibitor may enter one 8x10 framed and matted photograph of a flower grown in Martin County.

- Type of flower must be specified.

- Photograph will be judged on quality of photograph, quality of flower specimen, creativity, color and eye appeal.

Scarecrow

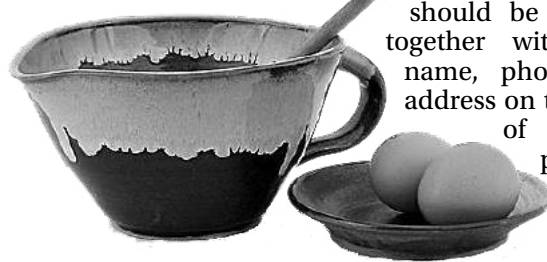

- Only one entry per person per challenge.

- Scarecrow's body must be attached to a stake or post that can be secured in the ground.

- Exhibitor is responsible for providing the stake.

- Use your imagination. Your scarecrow can be scary or your scarecrow can be funny.

- Keep in mind that scarecrows may be displayed outside. Weather-proof materials are suggested.

Heritage Recipe

Do you have a favorite family recipe, handed down through the family? To celebrate families and the wonderful cooks that have provided great food throughout the generations enter your family's heritage recipe.

- Recipe on a 3x5 recipe card or typed on a 3x5 sized paper

- Photo of the family either making the recipe or of the various generations that have made the recipe or any combination. (One photo only)

- An explanation of your heritage recipe and who and how your family has used it. Example: Our sandwich spread

recipe was always made by great-grandma Jones for the threshing crew that came to the farm in the summer. My grandma continued to make it for her family that they enjoyed on Sunday nights and my mom made it as a favorite when I came home from college. This should be typed if possible on white paper.

- All three (recipe, photo and explanation) should be clipped together with your name, phone and address on the back of each prior to entry in the fair.

Flowering Wagons

Best of Fair Lot 1 wins \$75.00 • Best of Fair Lot 2 wins \$150.00

Wagons can be planted with foliage or flowering plants or any combination. Wagons will be judged on principles of design including balance,

rhythm, dominance, contrast, proportion, and scale as well as the quality and condition of the flowers in the display. There should be no signs of disease or insects. Exhibitor is responsible for

transporting wagon to and from the fairgrounds.

Lot 1. Wagon box less than 48" long, goat cart, or milk can cart.

Lot 2. Wagon box over 48" long.

OBITUARY notices

Maynard A. Madsen, 92

Funeral Services for Maynard A. Madsen, 92, of Fairmont, formerly of East Chain, were held Saturday, August 1st, 2015 at the East Chain Evangelical Free Church. Burial followed in the church cemetery with full military honors by the Martin Co. V.F.W. Post 1222 and the Lee C. Prentice American Legion Post 36. Maynard passed away on Wednesday, July 29th, 2015.

Maynard Alvin Madsen was born May 3rd, 1923 in East Chain Township the son of Andrew and Esther (Magnuson) Madsen. Maynard attended the East Chain School, graduating in 1942. Maynard entered the United States Army after graduation on March 29th, 1945 and served in Japan until October of 1946. He received an honorable discharge on December 6th, 1946.

Maynard was united in marriage to Dorene Turnberg on September 6th, 1947 and they have spent sixty-seven happy years together. They farmed in East Chain and Silver Lake Township, purchasing the farm known as "Andersen Oaks" at the state line.

They retired from farming in 1984 and moved to Fairmont. Maynard was a faithful member of the East Chain Evangelical Free Church where he served as financial secretary and deacon as well as other capacities. Maynard and Dorene spent many winters together at Cocoa Beach, Florida, making many new friends. Upon retiring, he chose a hobby of woodworking and helping families on the farm. Maynard's love for family, friends and church were his first priorities.

Those to cherish his memory include his wife, Dorene Madsen of Fairmont; three daughters: Patricia Hugoson and her husband, Gene, of East Chain, Diane Teeter and her husband, Marlyn, of Hastings, Minnesota, Kimberly Brockmann and her husband, Bryan, of Granada; grandchildren: Scott Brockmann and his wife, Shauna, Andrea Wigfield and her

husband, Jeff, Amy Truman and her husband, Nate, Jonathon Hugoson and his wife, Jamie, Michael Teeter and his wife, Alicia, and Jeremy Teeter and his wife, Kelly; fifteen great-grandchildren: Jack, Ben, Sam, Leighton, Oakley, Henry, Zoe, Carter, Brock, Ian, Cullen, Peyton, Easton, Katelyn, and Shayden; two sisters: Arlene Schulz, Carol Heide and her husband, Kermit; two brothers: Arnold Madsen and his wife, Donna, Harvey Madsen and his wife, Nancy; sister-in-law, Ardys Bloom and her husband, Clarence; many nieces, nephews, other extended family and friends.

Maynard was preceded in death by his parents; brothers-in-law: LaVerne Schulz and Robert Peterson; niece, Lisa Madsen; nephew, Duane Madsen; and one infant brother.

Lynn M. Schweiss, 61

A Celebration of Life Service for Lynn M. Schweiss, 61, of Welcome, was held Monday, August 3rd, 2015 at St. John's Lutheran Church, Sherburn, with Rev. Steven D. Wilson officiating. Burial was in Welcome City Cemetery in Welcome. Lynn was called to her eternal rest peacefully on Saturday, July 25th, 2015 at Lakeview Methodist Health Care Center in Fairmont after a short but very courageous battle with brain cancer.

Lynn Marie Skalicky was born on June 8th, 1954 in Fairmont, the daughter of Frank and LaVera (Luhmann) Skalicky. She was a member of Welcome High School class of 1972. She was blessed with two children from her first marriage. Lynn has worked many jobs through out her life including the past 23 years at Lakeview Methodist Health Care Center in Fairmont cooking in the kitchen. Things that brought joy to Lynn's life were holidays with family, crafts with her granddaughter, Saige, camping, dancing, music, baking, trips to Arizona and most of all time spent with family. Lynn was a member of the American Legion Auxiliary in Welcome and served the community for many years. She was also a member of the Red Hat Ladies and enjoyed the many activities. Lynn was united in marriage to Tom Schweiss on July 2nd, 2005 at Lakeview Methodist Health Care Center Chapel

in Fairmont. They spent their married life living in Welcome. Together they enjoyed traveling, running Perch Lake Campground as "camp host". Lynn will forever be remembered for her quick wit and amazing sense of humor.

Those that will cherish her memory include her husband, Tom of Welcome; daughter, Trina and husband, Jeff Hilgendorf and grandson, Nick all of Fairmont; Son, Keith and his wife, Amanda Theobald and daughter, Saige all of Jackson; stepchildren, Kari and Justin Strausser of Brooklyn Park, Minnesota and Larry and Tia Schweiss of Welcome; step-grandchildren, Carson and Brayden Strausser, Mason and Kiaya Schweiss; brothers, Doyle and Hae Sun Skalicky and their children, Vince and Tommy of San Antonio, Texas, Scott Skalicky of Stewartville, Minnesota, Randy Skalicky of Fairmont and Todd and his wife, Joyce Skalicky and their daughter, Amber of Riverside, California; Uncle, Carroll "Lefty-Sonny" Luhmann and his wife, Sharon of Jackson; and many other relatives and friends.

Lynn was preceded in death by her parents, Frank and LaVera Skalicky; brothers, Gary and Tom Skalicky and other relatives.

Vivian C. Peyman, 69

Mass of Christian Burial for Vivian C. Peyman, 69, of Fairmont will be 10:30 a.m. Thursday, August 6th, at St. John Vianney Catholic Church in Fairmont. Burial will follow in Calvary Cemetery in Fairmont. Visitation will be 4:00- 7:00 p.m. Wednesday, August 5th, at the Lakeview Funeral Home in Fairmont and will continue one hour prior to the service at the church on Thursday.

Vivian passed away peacefully with her family around her Sunday morning, August 2nd, 2015 at her home in Fairmont.

Vivian Colleen (Osborne) Peyman was born on June 22nd, 1946 in St. James, the daughter of Raymond and Mary (McMullen) Osborne. She attended schools in Madelia, graduating from Madelia High School in 1964. She worked as an executive secretary at Scheer-Tumico in St. James from 1964-

1967. On February 4th, 1967 she married Daryle (Butch, Red) Peyman at Medford, MN. They made their home in Fairmont and were blessed with two sons, Randy and Kevin. Vivian was employed in the newsroom of the Sentinel from 1972-1977. She then worked in the business office of the Fairmont Medical Center from 1977 - 2011, retiring after 34 years of service.

She was a member of St. John Vianney Catholic Church, Fairmont Concert Association board, Fairmont Opera House and the Borderline Cruisers car club. One of her favorite pastimes was taking their classic cars to shows in the area with Daryle and club friends. Other loves were attending all her sons' activities throughout their youth, and in recent years, her granddaughters activities. She loved music, attending many concerts around the area. She also enjoyed her many trips to Branson, MO with her mom, sisters, and niece. She loved all animals, having rescued many strays over the years. She enjoyed going to casinos and playing dice and card games. Her greatest love of all was for her family, both immediate and extended, for which she felt greatly blessed.

Survivors include her husband, Daryle; sons, Randy (Jenny) Peyman and Kevin (Mandy) Peyman, all of Fairmont; granddaughters, Abigail and Madisyn Peyman both of Fairmont; three sisters, Margie Winch of Mankato, Kay Hippert of Glenwood, Karen Paulson of Madison Lake; brothers-in-law and sisters-in-law, Harold and Joan Peymann, Janet and Omar Behrens, Darlene Roebbecke, Marion and Merle Gieseke, all of Fairmont, Rolland and Joan Peymann of Bancroft, IA; many nieces and nephews, great nieces and nephews. She is also survived by "granddaughter-in-heart" Jill Katzer (John) Priester, and their son, Jack, of New Orleans, LA; special friends, JoAnne Tonani, Linda Rotunda, and her "furry family" of kitties.

Vivian was preceded in death by her parents; in-laws, Errol and Mildred Peymann Rowley; three sisters, Claire Klaras, Eileen Keenan, Marilyn Frederickson; two brothers, Eugene and William Osborne; six brothers-in-law and three nephews.

If you wish to do something in her memory, her request was that you adopt or foster a pet if possible, otherwise volunteer or donate to a humane shelter or rescue group.

oto LETTERS TO THE EDITOR

To the Editor:

The Fairmont Downtown Association wants to thank KSUM/KFMC radio for donating a speaker for the 3rd block of the Downtown Plaza.

The association would like to again have music playing throughout the downtown area while you shop. With KSUM-KFMC's help, you will now be able to enjoy music playing through the downtown on special occasions when you walk from store to store.

WEEK OF AUGUST 8, 1990

The Hair Gallery, 123 West Blue Earth Avenue, was celebrating its first anniversary. Hair Gallery employees pictured were Twyla Moore, Karen Prochniak, Patti Norman, Becky Moeller, Mary Larson, Teresa Johnson, Leah St. John and Mary Beth Sweet.

Eight candidates had filed for the District 3 Martin County Commissioner post left vacant by the death of Commissioner Richard Danielson. They were Marvin Bicknase, Madalyn Danielson, Lou Donnelly, Steven Fausch, David Kuhl, Robert Malliet, Melvin Rave and Donna Torgerson.

The Martin County National Bank Board of Directors officially broke ground for the new bank building. The old Martin County Bank building was

to be demolished and a new building was to be built back and southwest of the old building site.

The Oil Rig was open at 1108 East Blue Earth Avenue, the former Boehmke's Texaco location. The Oil Rig was a lube and oil change specialist vehicle care and maintenance center. The everyday special was oil, lube and filter for \$18.50.

Northland Ford Dealers was offering free public tours of the Twin Cities Ford Assembly Plant. "Come see America's best-built, best selling trucks being built."

50 YEARS AGO IN THE PHOTO PRESS

WEEK OF AUGUST 8, 1965

The Martin County Fair was about to open for its 100th year in a new location on the west edge of the city. It had recently sold its property on East

Blue Earth Avenue.

Seven local belles were to compete in the annual Miss Fairmont Pageant at the Junior High School Auditorium. They were Sharon Wille, Judy Hansen, Pam White, Linda Zenk, Barbara Yankovich, Ida Lou Plenge and Anita Bowman.

Drivers of slow moving vehicles on the highways were urged to attach the triangular orange "SMV" marker on the rear of their outfit. The marker was quite new in the area but was recognized as being a necessity in the face of ever increasing traffic.

Railway Motors demonstrated a line of hydraulic power tools on North Avenue during the Monday night display of Fairmont industries. The company was expanding its factory production to add to the declining railroad requirements.

We need help delivering only good news.

We have openings for carriers in these Fairmont areas:

ROUTE 4: 1100 and 1200 block of North Main, 1100 to 1600 block of North North and North Park.

ROUTE 8: 700 to 1000 blocks of North Elm, North North, North Park and North Prairie.

ROUTE 27: Blinkman Street, 300 and 400 blocks of Budd Street, 700 to 900 blocks of South Hampton and South Prairie.

ROUTE 29: Budd Lake Drive, Cedar Street, Homewood Drive, 100 to 500 blocks of Woodland.

Route 33: Redwood Drive, 900 to 1200 blocks of Albion Avenue, Maple Street, Water Street.

Route 36: Johnson Street Apartments.
