Red Cross calls for summer blood donations

The American Red Cross is counting on volunteer donors to give blood and help ensure patient needs can be met this summer.

Around Memorial Day, the Red Cross sees a steep decline in blood donations. Busy summer schedules, vacations and school breaks also cause a drop in donations. Accidents and medical emergencies don't take a summer break - patients need blood every minute, every day.

The public is asked to schedule an appointment to help ensure that hospitals and patients have the blood they need this summer. Make an appointment to donate blood by downloading the free Red Cross Blood Donor App,

visiting RedCrossBlood.org or calling 1-800-RED CROSS (1-800-733-2767).

Local blood donation opportunities include:

Cup N' Saucer celebrates five years June 1

Friday, June 1st marks an important milestone for the little, well-known café in the town of Sherburn; the Cup N' Saucer is celebrating their five year anniversary of ownership under Seth N' Elizabeth Lintelman, of Fairmont. In the Spring of 2013 the Lintelmans won the café in a national essay contest organized by a business capstone class from Bethany Lutheran College out of Mankato and the local economic center for development.

Over the past five years, the Cup has shaped the palate of local and not so local patrons by offering unique combinations of flavors through a menu that changes daily. Although only open for breakfast and lunch, last year alone, the Cup served more than 18,000 meals. "When we wrote that life changing essay five years ago, we had absolutely no idea how our vision and passion for fresh food and

exceptional service was going to be received" says Elizabeth. This is particularly true of their monthly five course tasting menu which is booked through most of 2019. "We are beyond appreciative of the support we receive from our community and want to say thank you by offering a free piece of homemade dessert with the purchase of a lunch entree on our five year anniversary" says Chef Seth. After all, what better way to the heart than through the stomach?

The Cup N' Saucer is known for their affordable modern American Cuisine, with an emphasis on seasonally fresh and locally grown product. The Lintelmans use their own garden to support their business while also partnering with local farmers and businesses to provide a new, fresh and innovative food concept to the community.

Credit due for "Strike Out Cancer" event

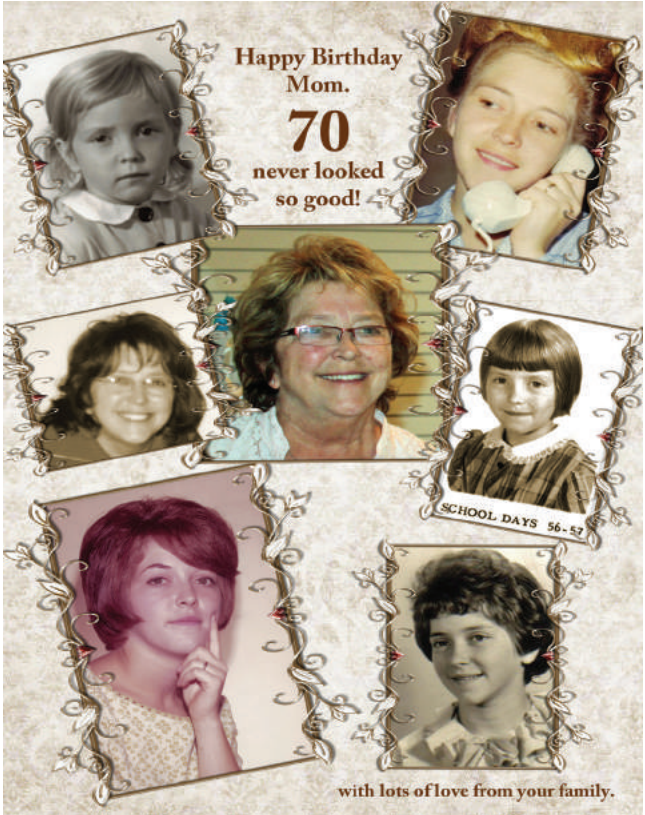

Last week the Photo Press ran a small article with photos from the "Strike Out Cancer" event held recently in Truman.

It was brought to our attention after the paper ran last week that we did not give credit for the hosts of the event. We apologize to those for the oversight. The "Strike Out Cancer" event in Truman was hosted by Sami Jo Helmers Nelson of the American Cancer Society and the Strike Out Cancer committee (made up of Allison Klassen, Paula Kester, Holly Brummond, Nancy Salic, and Courtney Studer.

There were four schools involved in the

event: Truman, Granada Huntley East Chain, Truman and Madelia. Donations also continue to come in, so the final total will be higher than what was stated in last week's Photo Press. As we have stated before, the Photo Press does not have any reporters on staff, so we rely entirely on article and photo submissions from our readers. Our intent is to put the information out to our readers and to provide photos as a way to show the "good news" of the people of this area.

We apologize for any hard feelings on this as the event is due a well deserved kudos.

Fairmont Community Center update

It has been several months since the Fairmont Community Center Action Committee last updated the readers of the Photo Press on the progress of the Fairmont Area Community Center. It has been a very busy time for the committee with many exciting developments taking place. Our committee continues to meet every three weeks, and now, we are also using smaller sub-committees to focus on specific projects.

Our meaningful achievements thus far in 2018 include hiring RJM Construction as the contractor on the project. They have been working closely with our hired architect (JLG) to ensure cost estimates for our community center are not just guesses, but rather thoroughly vetted and detailed construction cost estimates. RJM has also partnered with Tech Builders, which ensures local company involvement in the construction of this project.

JLG has also partnered with Bolton & Menk, another local firm who has assisted in site surveying and other civil engineering aspects of the project.

In April we hired Ballard King & Associates, who is a consulting firm specializing in recreation and sports facilities. Ballard King has been meeting with part of our committee to prepare their operational study for the community center project. This field study will give the committee important information about what components and amenities are critical for a functional and sustainable community center. They will also provide detailed information about the demographics of the area so we can gain insight into who will use the facility. With this information, we can then tailor our business plan to maximize operational efficiencies while offering a transformational recreational experience for local citizens. We want to build a community center that is economical to operate for many years to come. Ballard King's study will be invaluable towards that end.

We have also been active in developing partnership opportunities for this project. We've had very productive meetings with the City of Fairmont, the Fairmont School District and Martin County. We are also pleased to announce that we have been working closely with leadership from Mayo Clinic Health System in Fairmont. Specifically, we have identified the open field next to the hospital as our desired site location. We are also reviewing options for Mayo Clinic's to be a health and wellness partner for the community center.

As you can see, a lot is happening. If you would like to speak with our committee about how you could get engaged on this project we would love to hear from you. We will need many more local partners joining the effort before this project is completed. We expect to have a project plan, budget and design to show you by the Martin County Fair! Stay tuned!

Fairmont Chamber Ambassadors business ribbon cuttings

The Fairmont Area Chamber of Commerce Ambassadors traveled

to three businesses on Wednesday, May 16th to hold ribbon cuttings. The

businesses that the Ambassadors visited included:

BARK OF THE TOWN GROOMING - Chamber ambassadors congratulate Bark of the Town Grooming Salon on the opening of their new Downtown Plaza location.

GOLDEN TIE TUXES PLUS - Ambassadors welcome Chamber member Golden Tie Tuxes Plus to their new store location in the Five Lakes Centre Mall.

ZIERKE BUILT MANUFACTURING, INC. - Ambassadors celebrate the relocation of Zierke Built Manufacturing to Fairmont with a ribbon cutting during their open house. (Submitted photos)

The prestigious EJ Culligan Award, presented to the top 15 Culligan dealerships in North America, were awarded at the annual conference in Orlando in April. The EJ Culligan Award was awarded to Rich Johnson and his team at Culligan Water in Fairmont for its superior market penetration combined with strong growth in both household and commercial sales in 2017. Culligan Water is celebrating 69 years of serving the area's water needs. (Submitted photo)

Vacation Bible School in Truman

The Truman Church of Christ, 401 W. Ciro Street, will be holding a Vacation Bible School for children age 4 up through grade 6, on June 4th-8th, from 6:30 to 8:30 p.m. There is no cost to attend and all children are welcome.

The theme this year is "Noah's Ark Adventure!" Imagine spending over a year riding the waves of a global flood in an ark filled with eight people and thousands of animals! Noah did just that. Along the way, he discovered that God saves those who are faithful to Him.

And he found out that there is always a reason to be thankful. His faithful life is sure to inspire young people today and to earn the same lessons.

You may pre-register your children if you so desire by calling the church office at 507-776-2671, or by e-mail at: allen.b@frontiernet.net. Pre-registration is encouraged, but not necessary to attend. Come and join in the fun and fellowship, learning about Noah and enjoying the crafts and refreshments each evening.

Fairmont Area Track and Field Camp

Fairmont Area Community and Recreation will host a Fairmont Area Track and Field Camp Monday, June 4th through Thursday, June 7th from 10:00 - 11:30 a.m. at Fairmont High School, Bonk Track.

This camp is for students in Fairmont and surrounding area entering grades 5, 6 & 7 in Fall 2018.

The goal of this camp is to introduce the young athletes to the wide variety of events in track and field. Each day, Monday through Wednesday, they will have three rotations of about 20 minutes each. During the three days together participants will have an opportunity to

take part in the jumps, throws, training hurdles, running and relays. On Thursday, they will have a track and field meet for all the participants. All will be timed and measured in the various events of their choosing. Coaches: Bob Bonk, FHS Head Track & Field Coach, other coaches, college athletes, high school athletes.

Questions? Please call the CER Office (235-3141) or email coachbonk@yahoo.com. The fee is \$20 (with no shirt). If you want a shirt, please purchase from Coach Bonk at 11:30 a.m. on any of the camp days (\$10 cash only).

Deadline to register is May 31st.

The coffee shop

Guest Columnist

Darwin Anthony, Business Owner, Artist, Writer

They are usually on main street and are usually very plain in color. You can spot them as there are always a lot of pickups parked in front of them. I speak of the main street cafe in rural Minnesota. Our cafe is such a location. There is always a sign hanging over the street in front of the cafe. The sign seems to always advertise a soft drink.

If you are a stranger in town everyone looks you over when you walk into the cafe. The unsaid question is on everyone's face, "Who are you and what are you doing here?" The best part of the question is that it is usually answered before they leave. The waitress or someone in the place will lead the newcomer into a conversation and before long everyone knows that they are just passing through or they are in the community to visit relatives. It is an automatic meeting place. They are pretty much structured the same inside. Many are long with the kitchen in the back making a long way for the waitresses to carry the food when it is served. They are usually taken for granted, but if a town loses its cafe in rural areas today it is truly a bad sign. We are lucky and our cafe is great. It is COFFEE TIME!

I walk from the bank down to the local coffee shop/cafe in our community. As I walk in I see some of the regulars sitting around the tables shaking dice and waiting for another person to join them with hopes that they can win in the dice game and collect another quarter when the money is pooled and the people at the table shake six-five-four. The coffee is brought to the table by the owner and the daily event has be-

gun. There is talk about the farm markets, politics, people's problems, and what has happened around the community. It is news time, but on a truly local level. All the people are basically the same, mostly dressed in ordinary clothes. The men are wearing seed corn caps and the women are wearing heavy winter clothes. Many of these people are very wealthy, but winning at dice is very important to them and if they lose you would think that someone was taking food from their family or that they were spending their last dollar. It is the match-up that counts. If they lose on a regular basis, the joke always comes out that they are going to claim the other dice shakers as dependents on their income taxes. If someone has been ill and in the hospital, it is a big event for them to come to the cafe for coffee. There is always the WELCOME HOME for them as well as people who have been gone from the community for a period of time, like people that go south for the winter. The hard time that you are given when returning to the coffee shop is a special greeting. It means you were missed and they are happy to have you home and back at it. It is a caring act.

I have been going to coffee in our community for over 40 years. I have seen a number of people operate our local cafe; the Clausens, the Rices, the Strombergs, the Schultzes and now the Jacobsons. The cafe is a very important part of any community like ours. It is the meeting place, a place where many people go for coffee even though they do not drink coffee. Some people drink tea on a regular basis and our local blacksmith drinks ice tea year round. Can you believe the cold, long walk from his shop on a cold winter day, facing a hard northwest wind, to drink ice tea? Going to the cafe is more than that. It is a part of being alive and being with the flow of the community. To me it is such a compliment for someone to ask you to go for coffee. It means something special. When my family comes home they always want to go to the cafe for coffee. What is it that draws the people to this place? It is the cozy feeling, the belonging, the jokes, and the friendships. It is special in a truly country way. We love it that way!

The Martin County West 6th grade recently visited the Pioneer Museum in Fairmont and took a tour of Martin County history with the help of area retired teachers serving as guides. (Submitted photo)

Tractor Supply breaks ground in Fairmont

Tractor Supply Company has begun construction on a retail store in Fairmont. Construction on the store, located at 1215 N. State St., began in March with a goal of opening this summer.

Tractor Supply will serve as a one-stop shop for the Fairmont community's farmers, livestock and pet owners, ranchers, part-time and hobby farmers, gardeners, homeowners, tradesmen and others.

"We're not just building a store, we're building a team that understands the needs of the Fairmont community," said District Manager Roger Bauer. "We know this community values living 'Life Out Here' just like us—with a focus on caring for their home, land, pets and animals. With the addition of our new location, we're able to ensure the Fairmont community is fully equipped with the products they need."

The Fairmont Tractor Supply plans to hire 12 to 15 employees with firsthand knowledge and expertise in caring for pets, livestock and land.

At the store, customers will be able to shop a wide selection of products at a great value including workwear and boots, tractor and trailer parts and accessories, lawn and garden supplies, sprinkler and irrigation parts, power tools, fencing, welding and pump supplies, riding mowers and more. The Fairmont store will also carry a wide variety of food and supplies for pets, equine and livestock, as well as a pet wash station where customers will have access to professional grade wash bays, grooming tables and tools.

The Tractor Supply team will also seek to support pet adoption initiatives, area 4-H clubs and FFA chapters, county fairs and livestock shows.

R.E. Crawford will construct the 25,334-square-foot retail space. The store plans include a sales floor, external support service area and pet wash station.

The store opening, which is expected to occur in the summer, will kick off with a four-day Grand Opening celebration, during which customers can sign up for Tractor Supply's loyalty program, Neighbor's Club. By registering, customers will receive member-only offers, birthday offers, personal purchase summaries and receipt-free returns.

To learn more about Tractor Supply Company, visit TractorSupply.com. For additional information on the Neighbor's Club program, please visit NeighborsClub.com.

Mayo Clinic Health System - Fairmont to open Urgent Care

Mayo Clinic Health System in Fairmont recently announced plans to expand same-day services by opening an Urgent Care location later this year. Mayo Clinic Health System will transition out of its Clinic at Walmart practice shortly before opening Urgent Care, which will be located in the clinic on the medical center campus.

"We're excited to offer additional same-day primary care services by launching a full-scale Urgent Care practice," says Marie Morris, M.D., Mayo Clinic Health System in Fairmont medical director. "While the Clinic at Walmart has been effective for treating patients' minor illnesses, our community is in need of more robust convenience care options. With Urgent Care, we're able to treat patients of all ages and those with slightly more complex needs. Furthermore, locating Urgent Care on our medical center campus allows for more efficient patient support from nurses, registration staff, and our Lab and Radiology teams, as well as better access to other clinic and hospital-based care options."

Mayo Clinic Health System in Fairmont officials expect the transition will take place by December 1st, 2018. The same providers and nurses from the Clinic at Walmart will help staff Urgent Care.

Urgent Care covers the services available at The Clinic at Walmart, such as treatment of allergies, bladder infections, ear and eye infections, strep throat and rashes. However, Urgent Care also handles same-day minor medical treatment for back and muscle pain, cuts and minor burns, ear aches, skin conditions, sprains and joint pain, upper respiratory infections and bronchitis.

Express Care remains available through Mayo Clinic's Patient Online Services portal as a convenient, online care option for 14 common conditions for patients ages 18 months through 75 years.

Our 8th Grade angels!

On Friday May 18 we were lucky to have 17 eighth graders plus their advisors, Roxy Jahnke and Diane Armbrust at our home for their community service day. These young people have restored my faith in the next generation! My porch windows shine. They also stained our front porch and steps, mowed, trimmed and raked our yard, planted and placed our window boxes, cleaned my flower beds, planted flowers, spread mulch, carried large pots of geraniums out and hung plants in our front porch plus carried our TV to our front porch! We have already signed up for help next year. They were a huge help as Pa Lloyd recently had shoulder surgery we simply aren't able to physically do what we used to do! I recommend this service to anyone who needs help. They are always looking for people to help every spring, watch for the notice in the paper in the spring.

Today I am sharing the recipe for the chocolate chip cookies I made for this crew, the 4 tsp. of cream of tartar and 2 tsp. of soda is the right amount and shortening like crisco seems to work better than butter in these cookies!

- Chocolate Chip Cookies**
- 1 cup white sugar
 - 1 cup brown sugar
 - 1 cup oil
 - 1 cup shortening
 - 2 eggs
 - 4 tsp. cream of tartar
 - 2 tsp. soda
 - 1 tsp. salt
 - 4 1/2 cups flour
 - 1 tsp. vanilla
 - 12 oz. chocolate chips
 - 1/2 cup chopped nuts (optional)

Cream sugars, oil and shortening together. Mix in eggs and vanilla. Add cream of tartar, soda, salt and flour. Add chocolate chips . Bake at 350 degrees for 10 minutes on ungreased cookie sheet, I use parchment lined cookie sheets. This recipe came from Becky Tonne.

Have a great week!

Area College Student News

Morningside College Provost Dr. William C. Deeds recently announced the students who were named to the Dean's List for the spring semester of the 2017-18 academic year.

The Dean's List recognizes students who achieve a 3.67 grade point average or better and complete at least 12 credits of coursework with no grade below a "C-."

- Abigail S. Fitzgerald, junior, of Fairmont. Class-Social and Behavioral Science. Major- Developmental Psychology.

Morningside College, located in Sioux City, Iowa,

is a private, coeducational, four-year liberal arts college with a total enrollment of approximately 2,800 students. More information about Morningside College is at www.morningside.edu.

CHECK IT OUT!

@ the Martin County Library

The library's Summer Reading Program is here and this year our theme is "Libraries Rock!" Please join us as we rock out a totally new and exciting program this year!! Rather than counting books or minutes, we've set a community wide goal for check-outs. Over June and July, our goal is to have 30,000 items checked out! Everything counts towards the goal: books, movies, music, e-books, kids and adult materials...it all counts! When you come

to the library this summer, be sure to stop and vote for the community prize too! If we meet the goal of 30,000 check-outs, the library will purchase whatever prize gets the most votes! This year's prize options are *board games at the library or *more adventure backpacks at the library or *video game collection at the library. So come and vote this summer and help us reach our goal! As an extra bonus, certain items in the library have been tagged as a "Rock Star Reader." If you check out one of those items, you get to pick a prize! The more items you check out, the better your chance to win! Some come and read with us and enjoy our slate of special events this summer. Visit www.martincountylibrary.org for a full calendar!

Fishing on Hobo Trail

They're back and the stories are bigger than ever! Grab your fishing pole and join Fairmont's very own "Two Grumpy Old Men" Tony Rosener and Harry Brumbaugh for an evening of fishing and fun through Fairmont Area Community and Recreation.

It will be held Tuesday, June 5th from 6:00-8:00 p.m. at the Hobo Trail, Fairmont (between George and Sisseton

Lakes). This event is for school age kids in grades 3 through 6.

Bring your own fishing pole and they will supply the bait along with plenty of fish stories to boot! Parents are welcome to join in on the fun. And best of all - it's free!

Pre-registration is requested in order to plan for enough bait!

Contact the CER office at 507-235-3141.

"Touch a Truck" Summer Family Fun event

The Fairmont Women of Today are presenting a "Touch a Truck" Summer Family Fun Event on Friday, June 8th, 2018 at the Fairmont Area High School parking lot.

The free event, which will take place from 5 to 7 p.m. is a unique, interactive event that allows families to see, touch and

explore their favorite big trucks, vehicles, heavy equipment and more.

Come meet the individuals who protect, serve, live and work in the Fairmont community! Adult supervision is required for this event.

The Last Supper

It wasn't the best news I'd ever received. Cynthia gave me a prescription for a low dose of medicine. Not wanting to be on any medicine, I asked, "What can I do to lower my blood pressure on my own - without meds."

"Exercise and lose the extra weight." She said. "I'm working on that." I told her. "What else can I do?" I asked. "Quit smoking..." She said, "I did that almost nine years ago." I explained.

"Good for you! Now switch to a more healthy diet." She said, "Cut down on the salt, alcohol and caffeine." "Caffeine? As in coffee?" I queried. "Yes. Cut way down or switch to decaf coffee." She replied. I

hung my head and pouted, "Decaf? What's the point?" She rolled her eyes and continued. "Avoid stress." She said. I rolled my eyes, "Decaf stresses me."

"Cut down on fats and red meat. You don't need to eat red meat more than once a week." Seeing my delicious steaks, hamburgers and roast beef slipping away from me, I asked, "Cut down on red

meat? What am I supposed to eat? Cardboard?" "Eat more chicken and fish." She said.

"I already eat a lot of chicken - and salmon once

a week." I explained. She responded, "Keep doing these things; we'll keep an eye on your blood pressure. Get it back down where it should be, then we can get rid of the meds."

I've read the brochures on hypertension. She didn't tell me anything I didn't already know - what she did tell me is that it's time to start applying that information to MY lifestyle. I also knew for all the healthy things I was eating and doing, the unhealthy habits were taking their toll - it was time to cut out the...ugh...fast food.

As I left her office, I took inventory of what she just told me. "Diet, exercise and lose weight. Avoid stress. No smoking, get rid of the salt, alcohol and caffeine. Cut way back on red meat, eat fish and chicken instead." My eyes lit up.

"Chicken? She just told me to eat more KFC." I said aloud. Okay, maybe that's

not exactly what she said, but that's what I heard and I love Kentucky Fried Chicken!

I was laughing about that as I got in my car and drove away, headed for KFC. One last hurrah if you will, just like Fat Tuesday, before Ash Wednesday and the Lenten Season. It would be like my last supper; a celebration of my new healthy diet...that starts tomorrow.

I started to reminisce about the first time I ever tasted KFC. I was about eleven or twelve years old; we lived in Madison, Wisconsin. My brother Dan worked at Kentucky Fried Chicken at the corner of Monona Drive and Davidson Street - about four blocks from our house.

My brother Gerard and I would walk by the restaurant and look in the front windows. A time or two we knocked

on the window to get Danny's attention. "You guys can't be knocking on the windows when people are sitting at the booth." Danny told us, but we didn't mind - those people weren't bothering us....

Board members sought for Regional Arts Council

The Prairie Lakes Regional Arts Council (PLRAC) has two openings on the Board of Directors for representatives from the City of Fairmont and Martin County. The deadline for submitting an application is June 15th, 2018. Interested persons should contact Brenda Byron, Executive Director of PLRAC at (800) 298-1254 or plrac@hickorytech.net to find out more about our board and we will send you an application and a list of responsibilities. The new board members will attend their first meeting on July 26th, 2018.

The Council seeks to appoint people who represent a cross-section of art forms as well as various arts perspectives: artists,

teachers and representatives of arts organizations. Since a primary function of the Council is to serve as a panel for arts project applications, members are chosen for their knowledge, expertise, and involvement in the arts in the areas of dance, literature, music, theater and visual arts. We are especially interested in having dancers or people who are familiar with dance, musicians, writers and visual artists apply for the board.

Board Members are appointed through an open nomination process. The board is comprised of fourteen members, one from each of the nine counties and one from each city over 10,000 population. Board members serve a three-

year term with a maximum of two terms. Monthly evening meetings are held the fourth Thursday of the month, in Mankato, at Bethany Lutheran College. Board members are reimbursed for their mileage to meetings. Attendance at several PLRAC funded arts events per year is required.

The Prairie Lakes Regional Arts Council is committed to supporting and expanding the arts in the nine-county area; knowing that the Arts improve the quality of life in our region. We serve a nine-county area including Blue Earth, Brown, Faribault, LeSueur, Martin, Nicollet, Sibley, Waseca, and Watonwan Counties. For a board application please contact Brenda Byron, Executive Director, at the Prairie Lakes office in Waseca, 1-800-298-1254 or plrac@hickorytech.net.

Jeff's Jottings

First it was the winter that wouldn't stop, now it is the rain that wouldn't stop! Even though I am no longer actively farming, I live in the country, right out where the farmers are trying to plant their crops this year. "Trying" is the key word and a big word for area farmers this spring. Much of the farm ground in my neighborhood remains unplanted (as of last weekend) due to the large amount of moisture we have had - starting with the winter snows and continuing with the spring rainfall. Just when the neighbors were starting to really make some progress last week, another 2-4 inch "gulleywasher" hit and created a number

of lakes in the fields again. The ground is so saturated that any rainfall that comes now just puddles on top of the ground and takes a long time to soak in. Area farmers have experienced wet springs before, but it has been quite a while that the rainfall has delayed much of the planting this late into the year. Continue to pray for dryer and warmer weather for our local farmers so they can finish planting the 2018 crop!

"What is It?" answered

Our "What is it?" item from last week received a few correct answers, with the first one coming from Arnold Wolfe of Fairmont. Arnie correctly identified the item as being a one-horse hitch for hooking up to smaller implements and other jobs. Thanks to Bob Brolsma for bringing the item to my attention!

This week we have an item that was brought in by Pat Bulfer of Fairmont. He said he does not know what it is or what it is for, so we will see if our readers can identify it.

The item is made out of cast steel and as you can see the size in the one photo. There is a pivot point in the center, and on the one end there is a piece that is threaded on. So, do you know what the item is? You can call with your answer at 507-238-9456 or email me at Jeff@fairmontphotopress.com.

Congrats graduates!

A number of area schools are having their high school graduations this coming weekend, including Fairmont Area

High School and Martin County West High School. Even though it will be 35 years ago this year for my high school graduation, I still can remember the graduation ceremony at Ceylon High School like it was yesterday. All of the graduates are excited that they have finally reached the end of their high school trail, but many are also intimidated by the path that lies ahead for them. For a number of those on the stage this weekend, they will take their next step

by attending a college or technical school this fall. Others may already have jobs awaiting them, while others are not sure what path they will take next. A mentor and good friend gave me a good piece of advice when I graduated. It was something that I have kept as a guide in the years since I left Ceylon High School, and I think it is a good thing to use as your own guide. He said, "Everything happens for a reason. You may not know be able to control what happens and at the time you may ask yourself why it happened, but eventually you will realize the purpose of the path you took or the choices you made." It is a good thing to keep in mind as you determine your own future and most of all, use those events - good or bad - as learning tools for your path through life. Congratulations to all of the area graduates of 2018. Good luck on your future endeavors!

Festival season begins

Now that the "unofficial" start of summer (Memorial Day) is past, the summer festival season is ramping up.

Coming up this Saturday, June 2nd is Northrop Day. A fireman's breakfast

will be served from 7 to 10 a.m. at the Northrop American Legion. Other activities that day include a bean bag tournament, Karaoke, DJ, Petting Zoo, dunk tank, bounce house vendor show, face painting, trolley rides, D&S Pedal Pull, massages, lots of food and live music from 8 p.m. to midnight featuring "Band Duel". Enjoy the day this coming Saturday at Northrop, MN for the annual Northrop Day. Also this week, Jackson is having their Town & Country Days with lots of events and activities. For a full list of events, visit jacksonmn.com/town-country-days.

Fairmont's Interlaken Heritage Days will take place June 8th and 9th at Heritage Acres and on the Downtown Plaza. Check out the Photo Press next week for more details. Get ready for a busy summer of festivals and events!

Have a great week!

Drive safely - visit a shut-in or family member - Eat, Play, Shop Local - congratulations grads!

Minnesota Legislature Update

The Minnesota Legislature finished its business on May 20th, ending session approving a compromise tax conformity and education funding bill, a supplemental budget plan, a bonding proposal, and pension legislation to the governor's desk.

We heard the governor's priorities and concerns, and addressed them in a way that we believe benefits all sides. These are good bills we have approved, most of them with bipartisan support. I'm very hopeful Governor Dayton will sign them into law.

The tax conformity and education plan were part of a compromise effort between legislative Republicans and Governor Dayton. The federal conformity plan protects taxpayers, simplifies Minnesota's tax code, and provides the first income tax rate cut in nearly 20 years. It also makes available more than \$225 million to help students—nearly \$100 million more than what the governor requested, provides new money

and additional flexibility for school districts to address budget shortfalls.

In the supplemental budget bill, House and Senate Republicans compromised with the governor—more than 60 percent of the objections raised by the governor were removed or amended, meeting him more than halfway. The bill contains shared priorities like ensuring safe schools, repairing roads and bridges, tackling the opioid epidemic, protecting aging and vulnerable adults, and preventing a cut to caregivers of disabled Minnesotans.

A top priority for House Republicans this year was improved school safety and student mental health. The bonding bill passed Sunday night brings the total school safety investment to more than \$50 million—double the amount proposed by Governor Dayton.

House Republicans also advanced an infrastructure-heavy, geographically balanced capital investment package featuring \$825 mil-

lion in general obligation bonding to fund construction projects throughout the state. The majority of funding is dedicated to bricks-and-mortar projects, such as roads and bridges, water infrastructure and statewide asset preservation. In addition, the bonding bill includes \$32 million for the construction of new veterans homes in Bemidji, Montevideo, and Preston, as well as \$10 million for the renovation of existing homes.

The bills sent to the governor build on the tremendously success-

ful accomplishments from the 2017 session that included the largest tax cut in nearly two decades, the largest investment in roads and bridges in state history without a gas tax increase, major funding boosts for education, and reforms to lower health care costs and boost health care choices for Minnesota families.

The compromise proposals await action by Governor Dayton in the coming days.

Thanks for help with post prom

The Parents of the Martin County West Class of 2019 - Post Prom Committee would like to thank the numerous individuals and area businesses for their generous donations which were used to make the night a huge success. Funds for an event such as this can be difficult to raise in lean economic times, so every donation is greatly appreciated. Post Prom is a tradition that has continued for many years, and we are thankful that we live in a community that supports our children in this way.

Harvesting our renewable resource has paid dividends in Mower County. Whether it is investment in our schools or improvements to our roads, the revenue generated by our wind farm provides a steady stream of income for our county WITHOUT raising taxes, burdening our residents and businesses, or seeking tax incentives that we cannot afford.

I've also benefitted personally. I have a turbine on the 160-acre property that I own where my house is located. I was pleased with the payments I received - they were bigger than expected and I've heard several neighbors say the same. The influx of money into the area means houses and buildings are being fixed up and people are able to afford new trucks and cars. I personally got a new Polaris Ranger. I am very happy with the way construction issues

were dealt with as far as crop damage payments, tile repair, road repair, clean up and communication with landowners regarding what was going on.

In addition to my turbine, there is one across the road from my house and three others within a mile. I rarely hear them and only notice sound from the one to the east when I'm out by the road and closer to the turbine. In terms of shadow flicker, I've seen little to no effect on my house and the day I noticed some in the yard, it was for just several minutes.

Simply put, wind has been good for our southern Minnesota county and I'm glad to make it a reality for our community.

Janet R. Smith, 78

Services for Janet R. Smith, 78, of Northrop, held Wednesday morning, May 30th, 2018, at Zion

Lutheran Church in Fraser Township, rural Fairmont. Burial was in the St. James Lutheran Church Cemetery near Northrop. Janet passed away Monday, May 21st, 2018, at her home in Northrop after a 5 year courageous battle with cancer with her family by her side. Lakeview Funeral Home and Cremation Service of Fairmont assisted the family with arrangements.

Janet Ruth (Hagen) Smith was born November 22nd, 1939, at the Mt. Lake Hospital in Mt. Lake, MN, the daughter of Karl and Edna (Ogren) Hagen. She was baptized and later confirmed at Long Lake Lutheran Church in rural Ormsby.

Janet attended country school District 67 and attended high school at Tri-

mont, where she graduated from Trimont High School with the class of 1957.

On September 22nd, 1961, Janet was united in marriage to James "Jim" E. Smith at Long Lake Lutheran Church. Together the couple made their home in Northrop and were blessed with three sons, Lonnie, Todd, and Jay and celebrated over 54 years of marriage prior to Jim's passing in 2016.

Janet began working for the telephone office in Fairmont as an operator, following her graduation and continued working there until 1982. Janet then began working at Armour's/Fairmont Foods, and continued working until her retirement in 2002.

Janet loved family and

kept busy in following her 10 grandchildren and 4 great-grandchildren. She attended many sporting events, dance recitals, and other activities for them throughout the years. Janet loved to take pictures; her camera was always close to her. She made many picture books for all the kids and grandchildren. Her afternoons were spent enjoying her Soaps as well as many other TV programs. Janet and Jim has a special place in their hearts for their furry friends and owned many dogs and cats throughout the years. Janet loved her cats, Lucy, Lizzy, and Lilly and enjoyed their company until the time of her death.

Spring was one of Janet's favorite times of the year. She loved her gar-

dening and did an immaculate job with all of her flowers and would spend hours in the backyard getting everything just right.

Janet was a longtime member of the St. James Lutheran Church in Northrop and was very active in Eve Circle.

Left to cherish her memory are her children, Lonnie (Connie) Smith of Truman, Todd (Brenda) Smith of Blue Earth, and Jay (Lori) Smith of Sioux Falls, SD; grandchildren, Jorden (Kim) Weihe, Jeffrey (RoseAnn) Weihe, Jared (Tana) Smith, Jennifer Smith, Jeremy Smith, Katelyn Smith, and Caleb Smith; great-grandchildren, Josephine, Jaxson, Evelyn, and Oliver; brothers, Marlyn (Mary Ann) Hagen, Gerald (Michele) Hagen, and Roger (Mary

Jo) Hagen; in-laws, Carol (Daryl) Bartz, Pat Hall, and Linda Maday; as well as many nieces, nephews, extended family and friends.

Janet was preceded in death by her parents; husband, James Smith; in-laws, Emerell "Bill" Smith, Esther (Kosbab) Smith-Mohwinkel; stepfather, Dorwin "DG" Mohwinkel; sister, Sandra Hagen; brother-in-law, Robert Hall; as well as many aunts, uncles, and cousins.

Memorials may be given in Janet's name to St. James Lutheran Church and School, Mayo Clinic Health System Fairmont - Infusion Therapy, and UHD Hospice.

Kirstin Miller, 25

Services for Kirstin Miller, 25, of Fairmont, were held Tuesday, May 29th, 2018, at Grace Lutheran Church in Fairmont. A private family burial will be

held at a later date. Kirstin passed away Monday evening, May 21st, 2018, at her home in Elk River, MN.

Lakeview Funeral Home and Cremation Service of Fairmont assisted the family with arrangements.

Kirstin Lee Miller was born February 13th, 1993 in Winona, MN, the daughter of Michael Wayne Miller and Barbara Lynn (Guerry) Joekel. Kirstin graduated from Anoka High School in 2011. In 2016, Kirstin moved to Fairmont. Kirstin became an amazing cook and loved trying new things. She was also a very talented artist and loved crafts. Kirstin's greatest passion was her love for

animals, never having a time in her life that she didn't have a cat or dog.

Left to cherish her memory are her mother and stepfather, Barb and Kris Joeckel; her brother, Travis Miller and his wife, Britnie; grandparents, Bobbie Guerry, Bill and Linda Guerry and Jerome and Karen Miller; step siblings, Melissa (Ernie) Minton and Kendra Joekel; her stepmother, Michele Miller and numerous aunts, uncles, cousins, friends and, of course, her cat Max.

Kirstin was preceded in death by her father, Michael Miller and her great grandparents.

Eunice E. Wahl, 81

Eunice Emily Wahl, 81, passed away at home in Alaska on April 16th, 2018. She was born to Elsie and Edwin Hilgendorf of Minnesota on August 27th, 1936. She was the only girl with six brothers.

Eunice never got her pilots license, but she took flying lessons before moving to Alaska. Beneath her unassuming manner, she had an adventuresome spirit.

The first time Eunice moved to Alaska was in 1959. She worked at Kakanak Hospital as a lab tech and enjoyed the many friends she made. She left to work in Hawaii for a short time when one of her girlfriends living

there convinced her to move. When she returned to Alaska, it was to spend the rest of her life there.

After marrying Nick in 1962, Eunice spent summers fishing commercially on the "Dreamboat" and then the "Blizzard". When Nick retired to test boat fishing, she fished a year on the "Chris K". For 15 of the many years she fished, there were just the two of them on the boat. Nick always said she was the best boat puller he ever had. In 1978, the last year they fished for Eku, the two of them were high boat, delivering 235,539 pounds of salmon. They don't make women like that anymore!

Eunice survived both breast cancer and lung cancer. Dementia was her last challenge. Her wish

was to be in her home with her beloved husband and he made that possible for her. When you visit their house, he has a sign next to the door that says "An old fisherman lives here with the catch of his life." That sums up how he felt after 55 years of marriage. She was a supportive and steadfast wife.

Eunice is survived by her husband Nick; daughter Wanda Wahl and grandson Gabriel Fulton; daughter Jacalyn and son-in-law Todd McGeehan and grandson Christopher; brothers: John and his wife JoAnn Hilgendorf, Ralph and his wife Kay Hilgendorf, Alan and his wife Carolyn Hilgendorf, Doug and his wife Lin Hilgendorf and Joel and his wife Gail Hilgendorf.

Arlene E. Schulz, 93

Funeral Service for Arlene Edith Schulz, 93, of Fairmont, was held Wednesday morning, May 30th, 2018, at St. Paul Lutheran Church in Fairmont. Burial was at Lakeside Cemetery in Fairmont. Arlene passed away Wednesday afternoon, May 23rd, 2018, at the Mayo Clinic Health System in Fairmont. Lakeview Funeral Home and Cremation Service of Fairmont is assisting the family with arrangements.

Arlene Edith Schulz was born August 26th, 1924 in East Chain to Andrew and Esther (Magnuson) Madsen. She was baptized October 24th, 1924 and later confirmed July 2nd, 1939

at the East Chain Lutheran Church. Arlene graduated from East Chain High School on June 2nd, 1943. After graduating, Arlene worked at First National Bank.

On May 9th, 1947, Arlene was united in marriage to LaVerne Schulz at St. Paul Lutheran Church in Fairmont. The couple made their home in Fairmont where they were blessed with three children, Barbara, Gary and Gina. Arlene was employed at Stokely Van Camp and United Foods as a lab technician. She retired on April 1st, 1985.

Arlene was a member of St. Paul Lutheran Church where she was a member of the LWML Naomi Circle. She also served on the Community Hospital Auxiliary and Meals on Wheels. In her younger years, Arlene was a member of Beta Sigma Phi Sorority and business and professional women's groups. Arlene and LaVerne traveled throughout the U.S. and made several trips to England and Europe. She loved gardening, camping and spending time with family.

Left to cherish her memory are her chil-

dren, Barbara Ratike and her husband, Kenneth, of Rochester, MN, Gary Schulz of Elba, MN and Gina Winter of New Ulm, MN; grandchildren, Justin Ratike and his wife, Charlotte, Jeremy Ratike, Jessa Ratike, Jordan Schulz, Cameron Schulz, Danielle Winter, Dustin Winter, Nathan Winter and Jared Winter; great-grandchildren, Lily Andrews and Finnicks Andrews, Hunter Karnitz, Asher Lee and Haiden Ratike; step great-grandchildren, Taylor Thomason and Haley Thomason; sister, Carol Heide and her husband, Kermit; two brothers, Arnold Madsen and his wife, Donna and Harvey Madsen and his wife, Nancy; two sisters-in-law, Dorene Madsen and Hazel Grewe; as well as many nieces, nephews, extended family and friends.

She was preceded in death by her parents; husband, LaVerne Schulz; mother-in-law and father-in-law; two brothers, Maynard Madsen and an infant brother; brother-in-law, Bill Grewe; and brother-in-law and sister-in-law, Lester and Elaine Tinkham.

MCYF Grant Thank You

It is such a pleasure to live in an area where our youth are considered special assets and future leaders. I would like to take this opportunity to honor and thank the Martin County Youth Foundation for their exceptional service to our area youth organizations with grants recently awarded.

The MCYF grants to Community Education and Recreation provide exciting and memorable learning opportunities to youth through summer

ecology camps and youth activity scholarships. Camps featuring Science and Technology learning experiences, youth sports and aquatic programs are some of the summer activities made possible for youth to engage in by the Youth Foundation's generosity.

Special thanks to the Martin County Youth Foundation and the many youth activity/organization volunteers who care so much about our youth by actively making a positive difference in their lives!

The Brad and Lisa Anderson family have started a summer hockey scholarship for any player that wants to play summer hockey from the Fairmont Hockey Association. Pictured above our Dominic Hegdal and Teagan Roskop, the 2018 scholarship winners. "We wanted to give back to the association. Summer hockey has helped our son tremendously. It can be very time-consuming and expensive at times." A dollar will be donated from the Anderson's for every goal scored, from the squirt level through the high school teams. "Lisa and I decided that each year, only 40% of the funds can be spent, this way it'll continue to grow." If there are other families, individuals or companies that want to help donate to this scholarship, please contact Brad at 507-236-1123.

Fitzgerald leads Mustangs in victories

Abby Fitzgerald, a sophomore from Fairmont, led the Morningside College women's tennis team in victories during the 2017-18 season. Fitzgerald posted an 11-9 record as the Mustangs No. 2 singles player and combined with Erica Sherman, a senior from Red Oak, Iowa, for an 8-8 record at No. 1 doubles as part of the Mustangs top doubles tandem. Fitzgerald, who had a 2-1 doubles record when paired with Hanna Schoning, also topped the Mustangs with 21 combined singles

and doubles triumphs. Schoning, a junior from Arnold's Park, Iowa, ranked second on the team with 20 combined singles and doubles triumphs with a 9-10 record at No. 3 singles and an 11-8 record as a doubles competitor. She led the team with 11 doubles victories. Morningside posted an 8-9 record during the 2017-18 season and finished sixth in the Great Plains Athletic Conference standings with a 2-5 league mark.
